ANNOUNCEMENT

A NEW WG ON REVISION OF EFOMP PS14 – SAFETY OF MRI

WG COMPOSITION APPROVED

After a successful call on new Working Group (WG) entitled “**Revision of EFOMP PS14 – Safety of MRI**” EFOMP is proud to announce, that the final composition was approved according to EFOMP procedures.

The WG is ready to operate under Scientific Committee from June 2019 to June 2020. The chair of the WG is **Dr Simone Busoni (IT)**.

The composition of the WG is as follows:

Surname	Role	Country
De Bondt	Belgium	Member
Colgan	Ireland	Member
Israel	Bulgarian	Member
Chmelik	Slovakian	Member
Kugel	German	Member
Vestergaard	Denmark	Member
Mazzoni	Italy	Member
Seimenis	Greece	Member

Maieron	Italy	Consultant
Hanson	Denmark	Consultant
Bock	Germany	Consultant

According to EFOMP procedures, which are included in an EFOMP manual the selection is based on fulfilling specific criteria.

First of all, the balanced geographical distribution of members has to be guaranteed: the WG needs to be widely representative of the European community. As for the selection, the country in which the applicant works is considered.

When two or more applications are received from the same country, the selection is made considering the experience in the activities for which the WG is created. Evaluation is based on CVs included in applications.

The number of **members** is limited to 10 (minimum 5).

The European Federation of Organisations for Medical Physics

Fairmount House, 230 Tadcaster Road, York, YO24, 1ES, UK

Telephone: (+44) 1904 610821 Fax: (+44) 1904 612279

Consultants have also an active role in the group, but they are not eligible for reimbursement in case the WG is financially supported by EFOMP. The selection of consultants is based on CVs (with the limitation of 2 consultants per country).

Thank you for your cooperation.

Yolanda Prezado
Chair of the Scientific committee
